FOSTER PARENTS NEEDED

Is God calling you to minister to the youngest among us? Catholic Services of Macomb is seeking couples to serve as foster parents for infants waiting for adoption. Foster parents provide a nurturing connection between the birth mother and adoptive parents. Some provide care for a few hours or a day, while other provide care for weeks, or a month.

You can change the life of a child by becoming a part of this very special ministry. Provide an infant with a loving home on the way to his or her new home. Become a foster parent.

For information, call **586.416.2300.**

ARE ADULT DAY SERVICES FOR YOU?

Caring for an aging family member? Need a break? Individuals caring for or concerned about aging family members at home are invited to visit A Friend's House Adult Day Services during National Adult Day Services Week, September 22-25.

Sponsored by CSM and with locations in Clinton Township and Warren, A Friends House has provided supervised, daytime care for physically and/or memory impaired adults, as well as respite, support groups, counseling and consultation services for caregiving families since 1984.

Come observe activities and learn more about how adult day services enrich the lives of dependent adults while providing family members with a break from care demands.
