Current Volunteer Opportunities - July 2009

Secretarial skills - needed for an on-going monthly position. Catholic Services of Macomb is in need of a secretary to record, transcribe and distribute minutes of their monthly Board meetings. Meetings are held at 7:30 am on the last Tuesday of each month (except for July and December) at the main office in Clinton Township. If you are an early riser (at least once a month)...have the ability to accurately take and transcribe minutes...would like to volunteer about 4 hours a month...and are interested in helping further the mission of Catholic Services of Macomb...then call me.

Mentors needed - *New opportunity. How would you like to make a difference in the life of a teenager or young adult? Children who are in the foster care system in Macomb County need you to be a positive role model in their lives. Foster children who are "aging out"(between 18 and 21 and no longer "in the system") are in particular need of someone to guide them into adulthood. Are you "that person" who can make the difference in someone's life? Training provided...minimum commitment is one hour a week for one year.*

Tutors and Head Start Volunteers - Yes...it's that time again...time to start planning for the new school year. Tutoring positions are available at about 10 Macomb County Schools. Volunteer positions with Head Start are available throughout the county. Two hours a week are all that you need to give. Please call now to get your name on the list for our September Tutor Kick-Off meeting.

Interfaith Volunteer Caregivers - *Neighbors helping neighbors* - IVC requests for help have increased dramatically over the past year. Can you help? Drive a neighbor to the doctor...to the store...make a small home repair...spend a few hours with someone and give their caretaker a break...small things that make a huge difference. If you want to make life a little easier for a neighbor, call today.

Winning Futures - needs mentors for the 2009-2010 school year. This is an on-site, structured, goal setting mentorship program in Warren. Mentors meet with teens one hour per week for 20 weeks during the school day. The only skill you need is your desire to encourage a young person to succeed! Your experience, your caring, your desire to have a positive impact on the lives of young people in our community...and your commitment of 20 hours are all that is needed to continue to make this proven program continue to flourish in our community. Call immediately to sign up ... applications are accepted through mid-August.
