

Project Hope

Project Hope was established in 2005 to meet the needs of women in at-risk, crisis or unplanned pregnancies and their families.

Project Hope provides:

- pregnancy counseling
- parenting education
- referrals
- direct material assistance

Contributions from individuals, churches, schools and other organizations stock two “baby pantries” to provide pregnant women, new mothers and their children with essentials such as disposable diapers and wipes, toiletries, infant and children’s clothing, afghans, layette sets, car seats and other items.

Services are provided free of charge. Project Hope compliments the services available through the Archdiocese of Detroit’s **Project Life**.

For additional information or to make a donation, call Catholic Services of Macomb at 586.416.2300.
